## Accommodation

We provide **several options for the accommodation** of players, officials and other participants in **Rijeka** or **Opatija**. Different types of rooms and hotels will be available in accordance to participant's needs.

### BENEFITS OF USING OFFICIAL ACCOMMODATION

Great benefit of using official accommodation during the Master Championships is an accreditation which includes:

- *Free Transport from airport to hotel and from hotel to airport*
- *Free Local transport*
- *Free entrances in all city Museums*
- *Discount in restaurants and coffee bars*
- *Discounts on excursions*
- *Taxi services*
- *Cheaper boat ride*

Due to a very high touristic season in Croatia we recommend you to make reservation at official accommodation because OC has booked a limited number of room types in Rijeka and Opatija and we will probably not be able to maintain nor prices nor accommodation capacities.
